

Famoso Neapolitan Pizzeria Opens in Regina, SK

For Immediate Release

REGINA, SK – Famoso Neapolitan Pizzeria is pleased to open its first Regina location on August 17 2015, bringing authentic Neapolitan pizza to the downtown district. This is the 3rd location in Saskatchewan and the 28th Famoso restaurant in Canada.

As one of the restaurant partners and local operator, Chris Machin said “We are tremendously excited to bringing a real authentic, full service Neapolitan Pizzeria to our community! Lots of people in Regina have been waiting for this for some time and our team looks forward to sharing the “Famoso Experience” with our community. I can’t think of another place here to get delicious pizza in such a great atmosphere.”

Famoso is all about creating the best pizzeria experience outside of Naples. It uses only highly refined ‘00’ flour to make its dough. It is then hand-stretched and tossed to create a soft and crispy thin crust that is naturally low in gluten and easy to digest. The sauce is made from imported tomatoes from Southern Italy’s Campania region. Their low acidity and natural sweetness make for a rich, caramelized sauce. The fresh fior-di-late whole-milk mozzarella used as a topping on all their pizzas is known for its creamy texture. Famoso pizzas are then baked for 90 seconds at 900 degrees Fahrenheit in a traditional, fire-roasting Italian pizza oven. Famoso’s corporate chef, Don Letendre, continues to create traditional and “New World” flavours to keep guests coming back for more.

The menu at Famoso offers not only a great selection of delicious pizzas, but also appetizers, soup, salads, sandwiches, artisan gelato and a varied drinks menu including wine, beer, cocktails, Italian coffees and sodas, and soft drinks. It is perfect gathering place for a night out with friends and also convenient for a quick bite for lunch or before a show.

This Edmonton-built company was founded 2007 by Justin Lussier, and partners Christian Bullock and Jason Allard. In 2014, it was placed #39 in the Profit 500 ranking for Canada’s Fastest Growing Companies, and was also voted Best Pizza 2014 in Edmonton, AB by Avenue Magazine.
